### Space and Naval Warfare Systems Command Awards Contract

Science & Engineering Associates, Inc., of Albuquerque, New Mexico is being awarded a \$2,315,291 cost plus fixed-fee contract for Studies, Analyses, and Assessments (C2) in support of SPAWAR PD-13, the Advanced Concepts and Technologies Program Directorate C4ISR programs. This contract includes options, which, if exercised, would bring the cumulative value of this contract to \$11,587,711. Work will be performed in San Diego and is expected to be completed by July 2005. Contract funds will not expire at the end of the current fiscal year. This contract was procured as a Small Business Set-Aside via the Commerce Business Daily and the SPAWAR e-commerce web site with five offers received. The Space & Naval Warfare Systems Command, San Diego, California, is the contracting activity (N00039-00-C-2220).
